The Voice of Enigma

Good evening
This is the voice of Enigma
In the next hour
we will take you with us
into another world,
into the world of music, spirit and meditation
Turn off the light,
take a deep breath
and relax
start to move slowly,
very slowly
Let the rhythm be your
guiding light

I Love You... I'll Kill You

I see love, I can see passion
I feel danger, I feel obsession
Don't play games with the ones who love you
Cause I hear a voice who says:
„I love you... I'll kill you...”
Loneliness, I feel loneliness in my room...
Look into the mirror of your soul
Love and hate are one in all
Sacrifice turns to revenge and believe me
You'll see the face who'll say:
„I love you... I'll kill you...
But I'll love you forever”
Loneliness, I feel loneliness in my room...

Mea Culpa (Remix)

Turn off the light,
take a deep breath and relax

O Sacrum Convivium
recolitur passionis eius

Je ne dors plus (Je ne dors plus)

Je te desire (Je te desire)

Je veux aller au bout de mes fantasmes

Je sais que c'est interdit

[Chorus]

Prends moi (Prends moi)

Je suis a toi (Je suis a toi)

Mea culpa (Mea culpa)

Turn off the light,
take a deep breath and relax

[Chorus]

O Sacrum Convivium
recolitur passionis eius

Prends moi (Prends moi)

Je suis a toi (Je suis a toi)

[Chorus]

Turn off the light,
take a deep breath and relax

[Chorus]

Mea Culpa (Remix)

Turn off the light,
take a deep breath and relax

O Sacret Banquet

His passion is renewed

I can't sleep anymore

I desire you

I want to go to the end of my fantasies

I know it's forbidden

[Chorus]

Take me

I'm yours

I'm guilty

Turn off the light,
take a deep breath and relax

[Chorus]

O Sacred Banquet

His passion is renewed

Take me

I'm yours

[Chorus]

Turn off the light,
take a deep breath and relax

[Chorus]

T.N.T. for the Brain

Smell your skin
Feel your breath
You on my side
I couldn't resist

I hope I'll understand some day
What's the meaning of this crazy game

It is real and pure
T.N.T. for the brain

If there's no pain
Rules are still the same
I'm with you, just lead me

I'm ready to play
T.N.T. for the brain

Don't be scared and have no fear
I will show you what it means

If there's no pain
Rules are still the same
I'm with you, just lead me

I'm ready to play
T.N.T. for the brain

What you feel is insane
It is love and not a game
T.N.T. for the brain

Incognito

Like a shadow on the wall
if you're coming, that's good
not protected by the law
but you're still incognito.

You are capturing my soul
if I want, if I don't
who you are nobody knows
can't get behind, incognito.

Like a shadow on the wall
free access around the world
who you are nobody knows
eyes without face, incognito.

Like a shadow on the wall
if you're coming, that's good
not protected by the law
but you're still incognito.

Like a shadow on the wall
free access around the world
who you are nobody knows
eyes without face, incognito.

Sadeness

Procedamus in pace
In nomine Christi, Amen
Cum angelis et pueris,
fideles inveniamur

Attollite portas, principes, vestras
et elevamini, portae aeternales
et introibit rex gloriae
Quis est iste Rex gloriae?

Sade, dis-moi,

Sade, donnes-moi

Procedamus in pace

In nomine Christi, Amen

Sade, dis-moi, Qu'est-ce que tu vas chercher?

le Bien par le Mal, la Vertu par le Vice

Sade, dis-moi, Pourquoi l'évangile du Mal?

Quelle est ta religion, Où sont tes fidèles?

Si tu es contre Dieu, tu es contre l'Homme

Sade dit moi pourquoi le sang pour le plaisir?

Le plaisir sans l'amour.

N'y a t'il plus de sentiment dans le culte de l'homme?

Sade, es-tu diabolique ou divin?

[Chorus]x2

Sade, dis-moi (Hosanna)

Sade, donnes-moi (Hosanna)

In nomine Christi, Amen

Sadeness

Let us go forth in peace
In the name of Christ, So be it
We shall find the faithful in the
company of angels and children
Lift up ye heads o ye glorious gates,
and be ye lifted up ye everlasting doors,
and the king of glory shall come in.
Who is the king of glory?
Sade tell me
Sade give me
Shall we proceed in peace
In the name of Christ, Amen
Sade tell me, what is it that you seek?
The rightness of wrong, The virtue of vice
Sade tell me why the Gospel of evil?
What is your religion? Where are your faithful?
If you are against God, you are against man
Sade tell me why blood for pleasure?
Pleasure without love?
Is there no longer any feeling in man's Faith?
Sade are you diabolical or divine?
[Chorus]x2
Sade tell me (Hosanna)
Sade give me (Hosanna)
In the name of Christ, Amen

Beyond The Invisible

I look into the mirror
See myself, I'm over me
I need space for my desires
Have to dive into my fantasies
I know as soon as I'll arrive
Everything is possible
Cause no one has to hide
Beyond the invisible
Sajaja bramani totari ta, raitata raitata,
radu ridu raitata, rota
Close your eyes
Just feel and realize
It is real and not a dream
I'm in you and you're in me
It is time
To break the chains of life
If you follow you will see
What's beyond reality
Ne irascaris Domine,
ne ultra memineris iniquitatis:
ecce civitas Sancti facta est deserta:
Sion deserta facta est:
Ierusalem desolata est:
domus sanctificationis tuae et gloriae tuae

Beyond The Invisible

I look into the mirror
See myself, I'm over me
I need space for my desires
Have to dive into my fantasies
I know as soon as I'll arrive
Everything is possible
Cause no one has to hide
Beyond the invisible
The brave and wise men
came together on horse
Close your eyes
Just feel and realize
It is real and not a dream
I'm in you and you're in me
It is time
To break the chains of life
If you follow you will see
What's beyond reality
Do not be angry Lord,
or remember iniquity forever:
behold the Holy City is a desert:
Sion is mad a desert:
Jerusalem is desolate:
the house of your holiness and glory

The Cross Of Changes

If you understand or if you don't
If you believe or if you doubt
There's a universal justice
And the eyes of truth
Are always watching you.

Find Love

The principles of lust
are easy to understand
do what you feel
feel until the end
The principles of love
are burned in your mind
do what you want
do it until you find
love...

Hallelujah

Turn off the light
take a deep breath
and relax

Turn off the light
relax
take a deep breath
relax

Push the Limits

Basic instincts, social life
Paradoxes side by side
Don't submit to stupid rules
Be yourself and not a fool
Don't accept average habits
Open your heart and push the limits
Open your heart (echoes)
And push the limits (echoes)

Michael Cretu - producer, composer, and arranger of the electronic musical project ENIGMA:

"Enigma is not an artist and it's not a group. It's a project, an idea."

"It is music for everybody. It's intellectual but it has a very simple naive feeling"

"I wanted the music to speak for itself"

"The central question of our being is not to be or not to be, but WHY?"

"Heart is the engine of your body but brain is the engine of life"

"No words can explain music, music always explains itself,"

"Enigma has been a kind of music not connected to any trend from the very beginning. It originated like a UFO, landed like a UFO and still is a UFO today."

Enigma is evolution

"The past only matters in that we can learn from it."

Enigma is revolution

"The idea was that there is no idea."

Enigma is innovation

"As long as I don't repeat myself, I won't get bored. That's why I always have to start something new, invent things!"

Enigma is emotion

"Technology has never been a surrogate for a good idea – but even a good idea can never replace instinct."

Enigma is delight

"Never have I enjoyed my work as much as I did during the recordings for this album. It didn't feel like work, it was pure joy!"

Enigma is life

"In the figurative sense, even after 30 years I still work as if every sound, every note was about life or death."

Enigma is creation

"The idea behind ENIGMA is to make the impossible possible."
